## IT HAS BEEN TRULY SAID

That no word in the vocabulary of business is more pregnant with significance than that one word "Quality." You may apply it to goods, to choice, to ability. This one truth is universally the same. No false logic can make headway against true merit in merchandise or men. In this sense the word "Quality" in merchandise does not, however, mean expensive and extravagant and ultra high cost goods, but medium price goods that have the quality and style will stand the test.

### Ladies' Tailored Suits

At \$18.00 we are putting out a fine Serge Suit in colors and black. This Suit is made up on the new line style. Coat is 36-inch with partial fitted style finished with buttons, and is an extra good value.

In the \$20.00 and \$22.50 Suits we are able to give you a variety of styles and colors in the new popular styles. These are Suits we do not have sizes, as we have only one or two of a kind.

At \$25.00 is a line of Suits in colors and black. These are Suits which have finish and style of the much better grades. They are made in the best tailored style.

Mr. Morse will be in New York Wednesday picking up some specials in Ladies' Suits and Coats.

At \$12.50 are some Rubberized Silk Coats in a number of popular styles and colors. We can give you most any color you want.

### Ladies' Dust Coats

Last season we were unable to get a good value in a medium Dust Coat, but this season we have a value which we feel is better than the ordinary.

At \$3.50 is a long medium fitted Lipen Dust Coat. Coat is made in good style and the quality is very good. Comes in tan and grey, just right for a traveling Coat.

At \$6.50 is a heavy Lipen Dust Coat, made in a good style full Coat. Is just right for automobile or a general traveling Coat. Is lipen color, trimmed with black.

At \$12.50 is a new Cravenette Coat which is of unusual worth. Is made partial fitted style, colors grey and brown mixed.

### Ladies' Suits

This is surely the greatest Suit season we ever had by far, and this is not alone because everyone is looking for Suits, but because we have had the Suits and the kind of Suits the trade is looking for.

In our \$12.50 line of Ladies' Suits we are giving you a Suit which has all the style and finish of the better Suits and the quality is equal to Suits you will see at quite a little more money.

At \$15.00 is a Suit made of a fine quality invisible striped all wool material in all colors. Coat is made in one of the best styled slightly cut away front, with point at side, is lined with a guaranteed satin. Has one of the latest skirts.

The Comique show has everything heated to a pulp to-day. The pictures are fine. Yes, it is without a doubt the best bunch of pictures ever showed at this popular theatre. It is very hard to tell which is the best, as they are all crackjacks, but take it from me: it's by far the best show in town.

Tassie Brothers have installed in their market a new modern electric sausage and hamburger grinder. It does the work in one-fifth the time it takes by hand and grinds finer and better. Other improvements are being made in the market, changing over the office to give more floor space for increased trade.

Percy Earl, the 11-year-old son of Mr. and Mrs. Henry Bassett, had his leg broken yesterday afternoon, it being caught in a wagon wheel. He was picked up and carried to the home of his uncle, Milo E. Bassett. Dr. Reid was called and set the fracture, and Percy is as comfortable as could be expected to-day.

Bob Somerville and Charles Bixby went to Randolph this afternoon, where a match has been arranged for this evening between Bixby and Young Shepard of that place. Considerable interest is centered in the match in both places and several sports from this city will go to Randolph this evening to witness the bout.

The lovers of Shakespeare's works will have an excellent opportunity of seeing "King Lear" at the Theatre to-day. This powerful tragedy is very seldom seen outside of the large cities, and this is the first chance the people of Barre have had to see this masterpiece. The other pictures are very good. "The Three Noted Mountain Climbs" is exceptionally good. "Father Goes Shopping" is a funny comedy, and "Along the Nile" is a very interesting and different than any other Nile picture that has been seen here.

Some of the newest and prettiest patterns in shirts that have arrived for a long time came last night at A. A. Smith and Brother's store. Roman, New York; Clinton McDonald, Robert Clark, Scottsboro, Que.; Malcolm Boston, Lake Megantic, Que.; E. P. Kaufman, C. H. Thompson, Plattsburg, N. Y.

"Canadian Winter Carnival" at the Bijou theatre to-day is of great interest to everybody who likes out of door sports. Ski jumping, racing, coasting, and other ice and snow exercises are shown to good advantage in this picture. The film was taken in Montreal last winter. "The Iron Worker" is a picture drama of interest. The song is catchy and worth hearing.

A six-year-old grandson of Alfred Joslyn of 179 South Main street gave his relatives an unpleasant hour early last evening. The boy lives in Montreal and is visiting at the home of his grandfather.
